

ASSOCIATE IN ARTS

Program Description

The School of Arts & Sciences offers the Associate in Arts and Associate in Science degrees as well as the general education courses required for the Associate in Applied Science degree programs. It provides opportunities for undergraduate research, and study abroad/international education .

Embedded Certificate

This program contains one or more embedded certificates which will automatically be awarded if the certificate requirements are met unless the student completes and submits the **Program of Study Change Form** requesting to opt out of the embedded certificate.

Mission Statement

The School of Arts & Sciences provides an interdisciplinary educational experience with broad-based degree options, general education courses, opportunities for undergraduate research and global education.

Entrance Requirements

High school diploma or equivalent.

Type of Program

Day, night, weekend, online

Type of Degree

Associate degree

Total Hours Required for Program

61 semester hours

Related Areas

Business administration, education, English, foreign languages, geography, history, international studies, journalism, law, physical education, political science, psychology, recreation, social work, sociology, speech, visual and performing arts.

*Students may one be awarded **ONE** degree in Associate of Arts regardless of the various related areas/tracks.*

Transfer Requirements

Students planning to transfer and pursue a bachelor's degree are strongly urged to utilize Greenville Technical College's academic advising services. The transfer process for transfer tracks is very specific and leaves little opportunity for error in choosing classes. It is very important that students discuss curriculum and transfer requirements with their assigned academic advisor and with a transfer advisor at the four-year institution of their choice. It is most beneficial to the student if these discussions begin as soon as the choice to transfer to a four-year institution has been made.
