

SCHOOL OF ARTS & SCIENCES

The School of Arts & Sciences at Greenville Technical College is the largest school within the college, providing classes for over 4,000 students each fall and spring semester to include dual-enrolled high school students. The School offers the Associate in Arts, Associate in Science, and the general education courses required for the Associate in Applied Science degree programs. The school houses eight departments:

Biological Sciences, Behavior & Social Sciences, English, Humanities, Mathematics, Physical Sciences, Speech Communication and Theatre and Visual Arts. Uniquely, it provides opportunities for undergraduate research, and study abroad/international education.
