

UNIVERSITY TRANSFER CERTIFICATE IN APPLIED SCIENCE

Overview

Program Description

This program will guide students who either intend to transfer to a 4-year institution or enter a health program at Greenville Technical College (GTC) on transferable and/or required general education courses.

Students are responsible for checking with the specific college or university to which they plan to transfer to determine the transferability of any courses taken at Greenville Tech.

Mission Statement

The School of Arts & Sciences provides an interdisciplinary educational experience with broad-based degree options, general education courses, opportunities for undergraduate research, and global education.

Vision Statement

The School of Arts & Sciences prepares our students to enter a dynamic future as informed citizens, productive professionals, and lifelong learners through courses that promote creativity, artistic expression, research, and critical thought for students to meet their specific educational goals.

Entrance Requirements

Acceptable placement test score(s)

Type of Program

Day or Evening

Requirements for Completion

- Student must completion a minimum of 28 semester credit hours

Recommended Program Schedule

Listed below is the ideal grouping of courses in order by semester. This plan assumes a full-time schedule. Note, however, that many variables can affect this plan, and not every course is offered every semester. Please see your advisor to map out your own personalized progression toward graduation.

Preferred Sequence

First Semester	Hours
COL 105 Freshman Seminar	3
ENG 101 English Composition I	3
Math Requirement (select one of the following) ^{1,6}	3-4
MAT 103 Quantitative Reasoning	
MAT 109 College Algebra With Modeling	
MAT 110 College Algebra	
MAT 111 College Trigonometry	
MAT 120 Probability and Statistics	

MAT 211 Math for Elementary Education I	Math for Elementary Education I	
Social Science Requirement (select one of the following) ^{1,3,4}		3
PSC 201	American Government	
PSY 201	General Psychology	
SOC 101	Introduction to Sociology	
ECO 210	Macroeconomics	
ECO 211	Microeconomics	
GEO 101	Introduction to Geography	
GEO 102	World Geography	
Total Semester Hours		12-13
Second Semester		
Humanities Requirement (select one of the following) ^{1,3}		3-4
HIS 201	American History: Discovery to 1877	
HIS 202	American History: 1877 to Present	
ART 101	Art History & Appreciation	
THE 101	Introduction to Theatre	
MUS 105	Music Appreciation	
PHI 101	Introduction to Philosophy	
PHI 110	Ethics	
REL 101	Introduction to Religion	
REL 102	Introduction to Biblical Studies	
REL 201	Religions of the World	
SPA 101	Elementary Spanish I	
FRE 101	Elementary French I	
GER 101	Elementary German I	
Oral Communications Requirement ²		3
SPC 205	Public Speaking	
SPC 208	Intercultural Communication	
SPC 209	Interpersonal Communication	
Lab Science Requirement ^{1,5}		4
BIO 101	Biological Science I	
BIO 105	Principles of Biology	
BIO 210	Anatomy & Physiology I	
BIO 211	Anatomy & Physiology II	
BIO 215	Anatomy	
BIO 216	Physiology	
AST 101	Solar System Astronomy	
CHM 110	College Chemistry I	
PHY 201	Physics I	
Transferable General Education Electives ^{1,5,7}		6-8
Total Semester Hours		16-19
Total Required Credit Hours		28-32

¹ For additional general education requirements see the General Education (<https://catalog.gvltec.edu/general-education-courses/>) course listings

² Choose from the following courses to meet the oral communication requirement: , SPC 205 Public Speaking, SPC 208 Intercultural Communication, SPC 209 Interpersonal Communication.

³ Either PSC 201 American Government is recommended for the social science requirement or HIS 201 is recommended for the humanities requirement if the student intends to complete a bachelor degree at a 4-year institution in South Carolina

⁴ *Pre-health students* should choose either PSY 201 General Psychology or SOC 101 Introduction to Sociology depending on their intended health program.

⁵ *Pre-health students* should take BIO 210 Anatomy & Physiology I and BIO 211 Anatomy & Physiology II for the Lab Science requirement and one of the Transferable General Education Electives.

⁶ *Pre-health students* should select either MAT 120 Probability and Statistics, MAT 109 College Algebra With Modeling or MAT 110 College Algebra depending on their intended health program.

⁷ Students who plan to *transfer* to a 4-year institution are strongly encouraged to take ENG 102 English Composition II and a literature course for the general education transferable electives.
