

SCHOOL OF BUSINESS AND COMPUTER TECHNOLOGY

The School of Business and Computer Technology at Greenville Technical College provides classes for over 1300 credit and non-credit students annually to include dual-enrolled high school students. The School offers the Associate in Applied Science Degree and Certificate in Applied Science credentials. The school houses six departments:

- Accounting
- Administrative Office Technology
- Computer Technology
- Management
- Marketing
- Supply Chain Management

The School has 21 full-time faculty members and additional adjunct faculty members. Uniquely, the school offers many experiential learning opportunities through internships, apprenticeships and tech-scholar programs with local industry. The associate degree programs in Accounting, Management, Marketing, Supply Chain Management and the Administrative Office Technology Business Systems concentration also have programmatic accreditation through the Accreditation Council for Business Schools and Programs (ACBSP) and the Department of Supply Chain Management is a member of the SAP University Alliances (SAP).
