

EARLY CHILDHOOD SPECIAL EDUCATION CERTIFICATE IN APPLIED SCIENCE

Program Description

This program will prepare early childhood educators to work with preschool children who are not developing in a typical manner in one or more than one domain of development.

Mission Statement

The Early Childhood Department views its primary mission as educating and preparing those who work with young children and providing students with opportunities to develop the knowledge, skills and dispositions necessary to meet the needs of all learners.

Entrance Requirements

Acceptable placement test score(s)

- Upon enrollment in a lab course, students must have
 - Documentation of a criminal background check in compliance with the S.C. Code Section 63-13-40
 - Documentation of freedom from TB, signed by a health care provider

Type of Program

Day, evening and limited online

- All courses may be completed online, with the exception of the elective, which indicates a course with required lab hours in a designated program

Requirements for Completion

A minimum grade of "C" is required for all ECD courses in order to count toward graduation.

Employment Opportunities

Centers for children with special needs, child care centers, preschools, Head Start and Early Head Start programs, child development centers
