

SCHOOL OF ENGINEERING TECHNOLOGY & PROFESSIONAL STUDIES

The School of Engineering Technology & Professional Studies at Greenville Technical College provides classes for over 1000 credit and non-credit students annually to include dual-enrolled high school students. The School offers the Associate in Applied Science Degree and Certificate in Applied Science credentials. The school houses eleven departments:

- Architectural Engineering Technology
- Construction Engineering Technology
- Cosmetology/Esthetics
- Criminal Justice
- Culinary Arts/Hospitality and Tourism
- Early Care & Education
- Electronics Engineering Technology
- Engineering Design Technology
- Human Services
- Mechanical Engineering Technology
- Paralegal Studies

Uniquely, the School offers many experiential learning opportunities for students to practice and serve the general public through its cosmetology clinic, Child Development Center and culinary lunch offerings and continuing education training through the Center for Culinary and Hospitality Innovation. The Culinary Arts associate degree with an emphasis in Culinary Arts Technology is accredited by the American Culinary Federation Education Foundation Accrediting Commission (ACFEFAC). The Early Care and Education associate degree and the Child Development Center are accredited by the National Association for the Education of Young Children (NAEYC). The Paralegal Studies program is approved by the American Bar Association.

The Engineering Technology Associate in Applied Science degree programs hold programmatic accreditation through the Engineering Technology Accreditation Commission of ABET, <https://www.abet.org/>.
