

CHILD DEVELOPMENT CENTER

The Child Development Center was established as a training site for Early Childhood Development students at Greenville Technical College and serves children 6 weeks through 5 years of age. It is accredited by NAEYC (National Association for the Education of Young Children). The center's program revolves around the philosophy that each child has the right to be cared for in a nurturing environment and that children learn through play and hands-on experiences.

Childcare services at the center are available for GTC students, faculty, staff and the community. Monthly tuition rates and registration fees are applicable upon enrollment to the program. A Waiting List Application can be filled out at any time during regular business hours or emailed upon request.

The center is open Monday through Friday from 7:30 a.m. - 5:30 p.m. The center normally closes two weeks in December, a week for Spring Break, and other holidays and staff development days as noted on the annual operational calendar. The center is never closed when Greenville Technical College students are in class.
