

TRIO STUDENT SUPPORT SERVICES (SSS)

TRIO Student Support Services (SSS) is one of the federally funded TRIO programs. The program's objectives are to:

1. increase retention and graduation rates among eligible students;
2. increase the transfer rate of eligible students from two-year to four-year institutions;
3. foster an institutional climate supportive of the success of low-income and first-generation college students and individuals with disabilities; and
4. improve the financial and economic literacy of students in areas such as basic personal income, household money management, financial planning skills and basic economic decision-making skills.

The mission of TRIO SSS is to have a positive impact on the educational success of 350 highly, motivated students through the delivery of personalized and dynamic services. Students are selected to participate in the project based on the following criteria:

- Qualification as a
 - low-income student as determined by the Federal Poverty Guidelines that are published annually
